MEMORANDUM FOR: Director of Central Intelligence

VIA: Executive Director
Deputy Director of Central Intelligence

FROM:
Director, Office of External Affairs

SUBJECT: Resume of East Asia TDY

1. Aside from the courteous and informative treatment accorded me at every visit, I have several views left over from my recent trip that may be worth passing on to you. Just because I have not mentioned a certain station does not in any way reflect on that station -- it simply means something of a distinctive nature manifested itself at others.

3. One lingering impression that bothers me: the view is that U.S. is an unreliable, uncertain and quixotic ally. Do we have a long term plan for this part of the world?
